### **7.1 Employment Insurance Program- Township of South Algonquin Resolution 26-644**

**Resolution Number: 2026-186**

**Moved By: Mayor Gould**

**Seconded By: Councillor Latimer**

WHEREAS under the current framework of the Employment Insurance Program, many seasonal tourism workers experience a gap between the end of their employment Insurance benefits-often in February and March-and the resumption of the seasonal tourism employment in late May or June when visitor activity returns to the region; and

WHEREAS this gap created financial hardship for workers who reliably return to seasonal businesses across the region; and

WHEREAS recognition of tourism-dependent rural communities within the framework of the Employment Insurance Program would help stabilize the regional workforce, support tourism businesses, and contribute to the economic sustainability of rural municipalities that depend on seasonal tourism; and

WHEREAS municipalities across Northern Ontario experience similar workforce challenges associated with seasonal tourism economies and would benefit from federal policies that better reflect the realities of seasonal employment in rural regions; and

WHEREAS regional municipal organizations such as Federation of Northern Ontario Municipalities play a key role in advocating for policy solutions that address the unique economic conditions of Northern Ontario Communities;

NOW THEREFORE BE IT RESOLVED THAT Council for the Corporation of the Municipality of Calvin supports the Township of South Algonquin Resolution #26-644 formally request that the Government of Canada review and consider adjustments to the Employment Insurance Program to better recognize the realities of seasonal tourism employment in Northern Ontario and communities within Nipissing District. FURTHER BE IT RESOLVED THAT copies of this resolution be circulated to MP Cheryl Gallant, MP Pauline Rochefort, the Honourable Steve MacKinnon, the Honourable Patty Hajdu, the Federation of Northern Ontario Municipalities, the Association of Municipalities of Ontario, and all the municipalities within the Nipissing District and Northern Ontario for endorsement and support.

## **9. ADMINISTRATIVE MATTERS:**

### **9.1 Support Federation of Northern Municipalities (FONOM) Resolution No.2026-02-Establishment of a Northern Ontario Policing Grant**

**Resolution Number: 2026-191**

**Moved By: Councillor Manson**

**Seconded By: Councillor Grant**

THEREFORE BE IT RESOLVED THAT Council for the Corporation of the Municipality of Calvin supports the resolution from the Federation of Northern Municipalities (FONOM) regarding the Establishment of a Northern Ontario Policing Grant;

WHEREAS Municipalities across Northern Ontario face disproportionately high policing costs due to low population densities, geographic isolation, and limited municipal tax bases;

AND WHEREAS many Northern communities rely on the Ontario Provincial Police (OPP) for policing services, while others operate municipal police services that are also experiencing significant cost pressures;

AND WHEREAS recent increases in policing costs have placed unsustainable pressure on municipal budgets, forcing communities to make difficult decisions between maintaining public safety and funding essential municipal services such as infrastructure, roads, water systems, and recreation facilities;

AND WHEREAS Northern Ontario municipalities provide essential services across a vast geographic region while supporting key sectors of Ontario's economy, including mining, forestry, transportation, and energy;

AND WHEREAS municipalities require predictable and equitable provincial support to ensure policing costs remain sustainable and communities remain safe;

NOW THEREFORE BE IT RESOLVED THAT the Federation of Northern Ontario Municipalities call on the Government of Ontario to establish a \$100 million Northern Ontario Policing Grant, phased in over three years, to support the 157 municipalities across Northern Ontario served by both the Ontario Provincial Police and municipal police services;

AND THAT the grant include a base funding allocation for all municipalities, with additional funding distributed based on population to ensure equitable support across communities of varying sizes;

AND THAT the province work collaboratively with Northern municipal leaders, including FONOM and NOMA, to design and implement a sustainable funding framework that recognizes the unique economic and geographic realities of Northern Ontario;

BE IT FURTHER RESOLVED THAT a copy of this resolution be forwarded to the Premier of Ontario, the Minister of the Solicitor General, the Minister of Finance, the Minister of Northern Economic Development and Growth, the Association of Municipalities on Ontario (AMO), the Northwestern Ontario Municipal Association (NOMA), and all Northern Ontario Municipalities.

**By-Law No. 2026-24**

**Being a By-Law to amend By-Law 2026-11 -Fees and Charges for the Municipality of Calvin**

**WHEREAS** section 391(1) of the Municipal Act S.O. 2001, c.25 as amended, without limiting Sections 9, 10 and 11 authorizes municipalities to impose fees or charges on persons, for services or activities provided or done by or on behalf of the municipality, for costs payable by it for services or activities provided or done by or on behalf of any other municipality or local board; and for the use of its property including property under its control;

**AND WHEREAS** Section 398 (2) of the Municipal Act, S.O. 2001, c.25, as amended, provides for addition of fees and charges imposed by the municipality or local board, respectively, to the tax roll for the following property in the local municipality and collect them in the same manner as municipal taxes; any property for which all the owners are responsible for paying the fees and charges;

**AND WHEREAS** Section 69 (1) of the Planning Act, R.S.O. 1990, c.13 provides that the Council of a municipality may by by-law establish a tariff of fees for the processing of applications made in respect of planning matters, which tariffs shall be designed to meet only the anticipated cost to the municipality or to a committee of adjustment or land division committee constituted by the Council of the municipality;

**AND WHEREAS** Section 7 (1) of the Building Code Act, S.O. 1992, c. 23 as amended, provides that the Council of a municipality may pass by-laws requiring the payment of fees on applications for and issuance of permits and prescribing the amounts thereof, providing for refunds of fees and under such circumstances as are prescribed;

**AND WHEREAS** Section 27 (1) of the Cemeteries Act (Revised), R.S.O. 1990, c.4 s. 2(1), provides every owner shall file with the Registrar a price list of all interment rights and cemetery services and supplies that may be sold and all charges that may be made by that owner;

**AND WHEREAS** the Council of the Corporation of the Municipality of Calvin is desirous of establishing user fees and charges to recover some of the costs for services and rents provided by the Corporation;

**NOW THEREFORE** the Council of the Corporation of the Municipality of Calvin enacts as follows:

1. That the user fees, charges and rents as specified in the following schedules to this By-Law be charged by the Corporation of the Municipality of Calvin for those services and activities provided by the Corporation, for costs payable by its services and or activities provided or done by or on behalf of any municipality or any local board; and for the use of property owned or under the control of the Corporation.
2. All fees and charges set out in this By-Law shall be payable prior to the provisions of the service unless an agreement in writing is made to the contrary and approved by the appropriate municipal official.
3. In the event any fee imposed herein remains unpaid after provision of the service or is otherwise in arrears, such fees or charges may be added to the tax roll for any real property in the

THE CORPORATION OF THE MUNICIPALITY OF CALVIN

municipality, the owner of which is responsible for paying the charge and shall be collected in a manner as municipal taxes.

4. In default of payment of any charge levied herein, by the required date for the payment thereof, a percentage charge of one and three quarters of a percent (1.75%) is hereby imposed as a penalty for non-payment of such charge thereof, and such penalty shall be added to the charges as aforesaid or any installment or part thereof remaining unpaid on the first day of each calendar month thereafter in which the default continues.
5. Council does hereby delegates to the CAO of the Corporation of the Municipality of Calvin, the authority to administer such fees and charges and approve such forms and procedures as may be required for the efficient administration of fees and charges.
6. The fees set out in this By-Law shall be reviewed on an annual basis by the CAO and department managers prior to the adoption of the current year's budget.
7. Fees and charges set out herein supersede any fees or charges listed in any other by-laws.
8. All fees and charges listed in the schedules to this By-Law shall include applicable taxes.
9. That the fees and charges set out in the attached schedules are hereby imposed, ratified and become part and parcel of this by-law.

# PAPINEAU-CAMERON COUNCIL MEETING

May 26 2026

Robert Einboden,  
Freelance Reporter

If the mere mention of the annual auditor's report threatens to send you nodding off, you are not alone. Even the big, burly senior accountant/auditor from BDO Canada quipped in jest that "people fall asleep reading this, which hurts my feelings!" He did however manage to give a positive report and an energetic rendition of last year's financial statement numbers.

The Town of Mattawa has invited the Township to participate in its plans for a new library. Few details were provided and council wanted to know if potential use statistics have been compiled to show a viable business model. Councillor Mélanie Chenier, a true book lover at heart, raised concerns that young people are not being given library time in local schools. With cell-phones replacing books as the go-to information resource, it was suggested that a community centre might better serve modern local needs. Mayor Corriveau was worried that "we have to be careful not to end up investing in a white elephant."

Road and fire departments reported on the latest weather-related events, equipment issues and increasing regulatory requirements. The public meeting was followed by an in-camera session.

## All Aboard the Community Express

All Town of Mattawa Residents

Authorities have downgraded the area to a flood outlook statement with both the Ottawa and Mattawa Rivers gradually receding. As such, I am lifting the State of Emergency effective immediately.

The next steps will include the removal of the bladders around the lift stations. open-

ing up to traffic on Mattawan Street, and picking up and storing sand and sandbags from around town and at the arena.

Meanwhile, our work crews are still cleaning the damages from the May 18th, 2026 severe rain and windstorm. Branch and tree removal is still on-

going.

I'd like to express my gratitude for your cooperation during these trying times and to say I truly appreciate your hard work to keep our town safe.

Thank you, Mayor  
Raymond A. Bélanger

Subject: RE: Storm Damage & Wildfire Risk Observations Township of Calvin

---

Dear Municipality of Calvin,

Thank you for taking the time to reach out to us regarding the storm damage and wildland fire risk in your municipality. As a municipality of Ontario's fire region, you play a vital role in the province, helping to mitigate the risk and impact of wildland fires.

Within the Ministry of Natural Resources (MNR), there are opportunities available to help support your community. Our mitigation team and community assessment leads would be happy to meet with you to discuss these opportunities, including FireSmart training and education, the Ontario FireSmart Communities Transfer Payment Program and Community Wildland Fire Protection Plans.

Further, as you likely know, your municipality has an existing forest fire management agreement with the MNR. These agreements support the important partnerships that the ministry and municipalities have across the province to respond to wildland fires. As a part of this agreement, your municipality can re-evaluate the areas of responsibility and make any changes necessary to address items such as fire department capabilities, landscape or areas that may exceed capabilities of a municipal fire department, or where access challenges exist such as large swaths of forest damaged by storms. Each fall, we work with municipalities to make changes to their agreements. Each November municipalities and their local Fire Management Headquarters can work together to review and update any required changes to the identified response areas.

While the ministry does not develop or conduct hazard identification and risk assessments for municipalities, we do have several supports available and would be happy to meet with you to discuss them further. Also, the ministry can provide an initial, high-level assessment of the potential hazard in the area, however, we recommend the development of a Community Wildland Fire Protection Plan (CWPP), and the completion of a comprehensive risk assessment to fully understand the localized risk. We have several supports available to support you with the development of a CWPP as well.

Ministry staff are also available to provide advice and guidance on prescribed burning as a wildland fire management strategy for your municipality. It is common for local Fire Management Headquarters to work with municipalities directly to seek out prescribed burning opportunities and comply with prescribed burn regulations. Should you be interested in prescribed burning, I encourage you to reach out to the North Bay Fire Management Headquarters to discuss opportunities for your municipality.

For further support with your municipalities' efforts to manage and clean up storm damage, we encourage you to reach out to the Ministry of Municipal Affairs and Housing to inquire about Disaster Recovery Assistance.

We appreciate the opportunity to contribute to these vital efforts in your community and look forward to working with you on addressing your concerns regarding wildland fire risk in the Municipality of Calvin.

Sincerely,
