

THE MUNICIPALITY OF CALVIN IS HAPPY TO ANNOUNCE THAT YOU ARE NOW ABLE TO RECYCLE BATTERIES AND LIGHT BULBS AT THE LANDFILL!

**BATTERIES:** Most household batteries are able to now be recycled at the landfill. Vehicle batteries and Industrial batteries are **NOT** to be placed at the landfill. Please visit the hazardous waste depot located at 112 Patton Street, North Bay.

**LIGHT BULBS:** All styles of household light bulbs are able to be recycled.

Both batteries and light bulbs are to be placed in the recycling receptacles located in our electronics recycling bin.

**Reminder: Batteries and Light Bulbs are not to be placed in the landfill. These items are considered hazardous waste.**

Landfill Located at: 111 Adams Road, Municipality of Calvin
